WELCOME TO ARAK

Factory Profile

ARAK L.L.C operating from the heart of sharjah, UAE Founded in 1998 by Mr.Walid Taiseer. The purpose of the foundation was interior decor , Natural Veneer Trading , Fire Rated door core ,Pressing and now HPL Trading.

Our the past view year the company has grown both by opening new production lineups and through acquisition to become the ARAK GROUP.

Our company has 18+ Year of experience in exploring whats possible.Today with reliable automated technology and world class quality products we offer extensive range of products and service to meet with different demand of customer, whether they are manufacturers , dealers or end users.

we are always in it together , whether you are a client, partner, or colleague.Everyone plays a significant role, b/c everyone can make a difference.

Arak Mission

Is to provide the friendliest service great value for money and high quality product that is second to one.

Arak Goals

ARAK ! Began using more users friendly products in order to meet customer demand these product are manufacturing under individual branded companies,under the name of Arak.

Arak Quality

For Arak, Satisfaction of the customer is the highest importance, therefor a heavy emphases has been placed in raw material. Research & Development, safety and education stu fto insure the highest of standard in product and service.

Service & efficiency

- Speeds up the installation process
- 1 to 3 decorative surfaces

Size and application

- 1220 x 2440 mm size
- 0.6 mm*0.9 mm Thickness

- High quality industrial gluing, moisture resistant (D3), guarantees quality of surface finish and durability
- All HPL available only in 1220 x 2440 size only.

Property	Unit	Requirement	Standard
Thickness tolerance	mm	0.6 - 0.9 mm ± 0,10	EN 438-2.5
Length tolerance	mm	+10 / -0	EN 438-2.6
Width tolerance	mm	+10 / -0	EN 438-2.6
Resistance to scratches	N	≥ 3	EN 438-2.25
